Re: **CC Docket No. 00-257**
Notification of Customer Acquisition

Dear Ms. Dortch:

Pursuant to Section 64.1120(e) of the Commission's rules, 47 C.F.R. § 64.1120(e), A.R.C. Networks, Inc. d/b/a InfoHighway ("InfoHighway") respectfully notifies the Commission that it intends to acquire the customers of North American Communications Control, Inc. ("NACC") in the following states: Arizona, California, Connecticut, Florida, Georgia, Illinois, Maryland, Massachusetts, Michigan, Minnesota, New Jersey, New York, North Carolina, Pennsylvania, South Carolina, Texas, Utah, and Virginia.

Parties to the Transaction: The parties involved in the transaction are A.R.C. Networks, Inc. d/b/a InfoHighway, the acquiring carrier, and North American Communications Control, Inc., the transferring carrier.

Types of Telecommunications Services Provided to the Affected Subscribers: NACC provides local exchange and interexchange services to customers in New York and provides only interexchange services to customers in each of the remaining states listed above. After the transfer, InfoHighway will provide the same services to these subscribers.

Date of Transfer of the Subscribers to Acquiring Carrier: The transfer of the subscriber base from NACC to A.R.C. is expected to occur on or about August 31, 2002, depending upon receipt of requisite regulatory approvals.

Certification: Attached hereto is the certification of InfoHighway attesting to its compliance with the Commission's requirements governing transfers of subscribers.

CERTIFICATION

On behalf of A.R.C. Networks, Inc. d/b/a InfoHighway, and in accordance with Section 64.1120 of the Commission's rules, 47 C.F.R. § 64.1120, I hereby certify the compliance of A.R.C. Networks, Inc. with the requirement to provide advance subscriber notice in accordance with Section 64.1120(e)(3) of the Commission's rules, 47 C.F.R. § 64.1120(e)(3), with the obligations specified in that subscriber notice, and with other statutory and Commission requirements that apply to this streamlined process.

Notice to Affected Subscribers

NOTICE OF TRANSFER OF TELEPHONE SERVICE

Welcome Valued Customer:

A.R.C. Networks, Inc. d/b/a InfoHighway ("InfoHighway") and North American Communications Control, Inc. ("NACC") are pleased to announce that InfoHighway will become your new telephone service provider on or about August 31, 2002. InfoHighway has provided telecommunications services to small and medium-sized business, residential customers and governmental agencies in over 20 states since 1996. NACC recommends InfoHighway Communications to be your new telephone service provider.

What happens during the transition process?

The information below should address any questions you may have regarding the transition process:

- NACC and InfoHighway will take all necessary steps to ensure that your telephone service is transitioned without any service interruption, any charge or any inconvenience to you. It is anticipated that you will not experience any changes to your existing service. Although InfoHighway does not assume responsibility for any pending or future complaints you may have regarding past service provided by NACC, InfoHighway will assume responsibility for any carrier change charge that may be incurred as a result of this transfer.
 - On or about August 31, 2002, NACC will transfer your telephone service to InfoHighway and will no longer provide local or long distance telephone service. Consequently, if you do not wish to receive service from InfoHighway, we ask that you select another telephone service provider by July 23, 2002. Your selection of an alternate telephone service provider requires that you contact that service provider directly, on or before July 23, 2002, to ensure that your service is properly transferred. If you select an alternate provider after July 23, 2002, there may be a delay in the implementation of your new service provider request until after August 31, 2002. In addition, you may incur connection and/or presubscription fees because of your selection of an alternate provider. **If you take no action your telecommunications service will be automatically transferred to InfoHighway on or about August 31, 2002.**
 - The rates, terms and conditions for your service will remain the same and you will continue to be billed monthly for your service. Please use the remittance advice, included in your bill, whenever possible to ensure payments are sent to the proper address. Should there be changes in rate, terms or conditions in the future, InfoHighway will notify you in the manner required by regulatory agencies.
-

- During the transfer, existing "preferred carrier" freezes on services currently provided by NACC will be lifted. If you have a "preferred carrier" freeze on your account and would like to keep that protection after the transfer, please contact our Customer Service organization at Toll Free 800-551-1013. Customer Service will be available to assist you with the reactivation of your "preferred carrier" freeze after August 31, 2002.

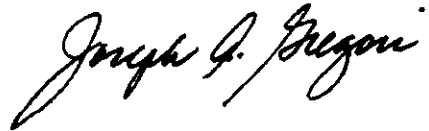

InfoHighway extends a warm welcome to all NACC customers and is pleased to inform you that several key NACC employees will be joining the InfoHighway team to ensure your continued customer satisfaction. Our mutual goal is to continue to deliver a wide array of high-quality, affordable products and services that will help your business gain and maintain a competitive edge in your marketplace. We realize you have a choice of telecommunications providers, and we sincerely appreciate your continued patronage.

Please call InfoHighway's Customer Service number, 1-800-551-1013, if you have any questions or concerns regarding this change in your telephone service provider.

Sincerely yours,

North American Communications Control, Inc.

InfoHighway
